About SCOE

Saraswati College of Engineering is a leading Engineering Institute, Established in the year 2004 by Hon. Prithviraj Deshmukh and Mrs.Vrushali Deshmukh. The college is Approved by AICTE, New Delhi and affiliated to University of Mumbai, India. The college campus is beautifully landscaped in a lush green stretch of land spread across Kharghar Hills, SCOE offers UG Engineering Courses in Civil, Mechanical, Electronics & Telecommunication, Computer, Automobile and Information Technology. SCOE also offers PG courses in Civil, Mechanical, Electronics & Telecommunication and Computer Engineering. SCOE is established with a purpose of imparting state of art technical education to aspiring engineers of 21st Century. Efforts are taken by enhancing the employability & skills of students to bridge gap between Industry & Institute.

Objective of the Conference

NCSMWM-2019 is a premier National Conference being organized by SCOE on 16th April 2019 at Kharghar, Navi Mumbai (M.S.) India. Emergence of various technologies in the modern time has become inevitable. We have to be competent enough to compete with the present and the future global market which is dynamic in nature and as touched high scales of excellence. Hence, a conference on Sustainable Manufacturing and Waste Management will result in an improved awareness about the implications of every emerging technology. The conference will be focusing on all the latest concepts in the field of Sustainable Manufacturing and Waste Management. NCSMWM-2019 is a true testimony of the fact that every emerging technology today will give way to a better tomorrow. The conference will provide an exceptional platform to the researchers to meet and discuss the practical methods of solving intriguing problems with people who are actively involved in these fields. The conference also aims at encouraging the faculty for engaging in more and more research in particular and creating an environment promoting research in every field of academics.
