

SARASWATI EDUCATION SOCIETY'S
SARASWATI COLLEGE OF ENGINEERING
NEWS LETTER
(July 2008 to December 2008)
DEPARTMENT OF COMPUTER ENGINEERING

Approved by AICTE New Delhi & Affiliated to UNIVERSITY OF MUMBAI

CORE JAVA WORKSHOP:

CORE JAVA workshop of 3 days was successfully conducted on 30,31 Aug. & 1 Sept. The faculty for this workshop was sun certified & having 8 years of industry experience as SUN professional .

Number of participants for this workshop was 38.

The contents of this workshop are :

Basic OOP's Concepts, Introduction to Java, JVM , Objects , Classes, Strings, Files, I/O, Exceptions, Threads, AWT and Applet.

TEACHER'S DAY CELEBRATION:

Department Of Computer Engineering celebrated Teacher's Day on 5th September, 2008. 5th September is celebrated as Teacher's Day on birth anniversary of great teacher Dr. Sarvapalli Radhakrishnan. Dr. J.G. Kori, Principal of Saraswati College Of Engineering inaugurated the function by lightening the lamp and garlanded the statue of God Saraswati Prof S. Kolekar, Head, Computer Engineering Department, and all staff members from department were present for the function. Dr.J.G. Kori, Prof . S. Kolekar and staff member were felicitated by offering a bouquet.

Students from computer engineering department had actively participated in teacher's day celebration. Students have taught subjects like Software engineering , Image processing , Advanced microprocessor & Mathematics. All the staff members students enjoyed different games. The function ended with refreshment and vote of thanks.

Computer Engg

ADVISORY COMMITTEE MEETING:

The first Advisory committee meeting was held on 13 Sept. with all faculties and students from department.

Advisory committee members are:

Experts from Industry , faculty and student of department of computer engineering.

Experts From Industry are :

- 1.Mr.Aniket Mala(Sr. Delivery Mgr & Quality Consultant, Tech Mahindra)
2. Mr.Pradip Chandgadkar(resource personal , RBI) .
3. Mr. Dada Mote (S/w Engg. , Zorient Technology)
- 4.Asst. prof. Radha.(HOD, IT Dept. SPCE, Mumbai)
- 5.Mrs. Sangita Kumbhar(Technical DBA specialist, HSBE)
6. D.Y. Raipurkar (Editor ,Kharghar Times)

Industry Institute interaction to achieve excellent quality in academics.

How to achieve excellence in practical knowledge related to Industry.

Continuous improvement is an on going activity gave valuable suggestion regarding –

How to do time management , planning , Quality management?

How to manage – Balance software study & other curricular activities

How to achieve goal? Skills which enhance creativity , decision taking , listening to start earning.

ISTE APPROVED ADVANCED JAVA WORKSHOP:

For the first time in the history of Saraswati Education Society's , the ISTE Approved ADVANCED JAVA workshop of 4 days was successfully conducted on 2 oct to 4 oct. The faculty for this workshop was sun certified & having 8 years of industry experience as SUN professional .

Number of participants for present for workshop were 40

30 Students and 10 Faculty members from different colleges.

The contents of this ISTE approved workshop were,

Introduction to HTML, Servlets, JSP , Database connection etc.

Training and Placement Cell:

Last Year Several leading companies recruited our Students.

Few of them are:

| Industry Name | Student Name |
|---------------|-----------------|
| Accenture | Priyanka Sarade |
| Accenture | Aditya Mangoli |
| L&T | Ankit Jagdale |
| VSNL | Suraj Khadekar |
| Wipro BPO | Anushree Patel |

ACE Inauguration:

Department Of Computer Engineering inaugurated ACE (association of Computer Engineers Teacher's Day) on 5th September, 2008. 5th September is celebrated as Teacher's Day on birth anniversary of great teacher Dr. Sarvapalli Radhakrishnan. Dr. J.G. Kori, Principal of Saraswati College Of Engineering inaugurated the function by lightening the lamp and garlanded the statue of God Saraswati Prof S. Kolekar, Head, Computer Engineering Department, and all staff members from department were present for the function. Dr.J.G. Kori, Prof . S. Kolekar and staff member were felicitated by offering a bouquet.

Students from computer engineering department had actively participated in teacher's day celebration. Students have taught subjects like Software engineering , Image processing , Advanced microprocessor & Mathematics. All the staff members students enjoyed different games. The function ended with refreshment and vote of thanks.

ggg

Achievements:

1. Prof. Ms. S.D.Kolekar had won online Quiz contest (By MICROSOFT)
2. Ms. Shilpa Kolte , Faculty from department has successfully completed Post Graduation in Computer Engineering.

OTHER ACTIVITIES:

Teach India Campaign:

Students From third year Computer Engineering Department have began teach India campaign to slum students near by college campus.

Coordinators among students who took initiative to organize such a campaign are :

Amin Divya

Pooja Walawalkar

Mohit Shetty

Vaibhav Raj

Vinit Maniar

The objective behind this campaign is to make slum students aware of learning. The motive behind this is to teach all the basic terms like ABC , Nursery Rhymes Mathematics etc to these Children's. (Facilities) Stationary provided to the children's are such as Books , pens, Charts, Slates, pencils etc.

SEMINAR ON WI-FI SECURITY

On 8th November 2008 a seminar on wi-fi security was held at Saraswati college of engineering , Kharghar. The seminar was a part of the move "Coalition for a secure Navi Mumbai" launched on 15th Oct. 2008 by Navi Mumbai police , Ficci , IMC , Nasscom and Navi Mumbai citizens.

The first session of this coalition " secure Wi-Fi Networks " was arranged in Saraswati College Of Engineering. Around 450 students and 50 Faculties benefited from this session . The event was presided by Mr. Vijay Mukhi , a noted internet expert. Ms. Manpreet Kaur (IRIS Business Services) , Dr. J. G. kori (principal , SCOE) , Ms. Sushopti Kolekar (HOD ,Computer Department) ,

PRESENTATION/PUBLICATIONS/ STTP'S/WORKSHOPS/SEMINARS

1. Prof. Sushopti Kolekar and Prof. Deepa Parasar attended Two days workshop on "W.A.V.E.S." organized by Thadomal Sahani Engineering College Bandra(W).

2. Prof. Shilpa Kolte and Prof. Deepa Parasar attended One Week STTP on "Wavelet Transform" organized by K.J. Somaiya Institute of Technology. .

3. H.O.D. Computer Dept. Ms. Sushopti has attended one day workshop on "Wi-Fi Security" at D. Y. Patil Auditorium Nerul. By inspiring this as a social activity, we have organized one day workshop on the same topic. Mr. Vijay Mukhi has successfully conducted workshop on "Wi-Fi Security" at SCOE Kharghar.
