**NEWSLETTER**

VOLUME 6

*Chief Editor: Prof. Deepa Parasar*

*Editor: Ms. Ruhi Ghormade*

#### **ABOUT THE DEPARTMENT**

*Computer Department of SCOE is a department, established for the purpose of imparting state of art technical education to newly aspired engineers of the 21st Century. We dream to be a leading research department with dream & vision of creating knowledgeable society. Saraswati College of Engineering's Computer Department started functioning from 17th Sep. 2004 with full energy & enthusiasm, with the help of dynamic & qualified HOD & staff members & with energetic, enthusiastic students. The growth of any worthwhile endeavor especially in the field of education depends to considerable extent on the selfless service & dedication of the people working for it. The most important feature of Computer Department, which is quite different from others is that "It is based on collective effort every common individual, working with a team spirit as a family". Long term planning, meaningful administration & dedicated experienced & hard working staff, fully fledged Library & well equipped laboratories are few of our strong points to mention.*

#### **FROM THE DESK OF HOD**

*It gives me an immense pleasure to present the News Letter Volume-6. It has always been an experience of fulfillment while working under potent leaders like our Director and Principal Sir. We- the Computer Department are being an Oracle to achieve the ultimate goal of Saraswati Education Society – Footprints on global map with excellence.*
