COMPUTER
ENGINEERING**

Editors

Dr. Alam Shaikh (Principal)

Mrs. Bharti Joshi (HOD.)

Ms. Parineeta Suman

Mission:

We believe in bonding and belonging thereby our mission is to provide simulating learning environment with a technological orientation to maximize individual potential.

Vision:

To imprint knowledge to our students in an ambience of knowledge, creativity and

innovations and nurture them to become ethically rich professional with bright future.

FROM THE DESK OF HOD

It gives me an immense pleasure to present the News Letter for this semester. Our department is imparting the required technical and practical knowledge to the students. The department has substantial number of faculty

members with good experience in their respective areas of specialization. A well designed planning of lessons and their exquisite execution by faculty enables the students to get hold of the fundamentals of this significant branch. Special Lectures are organised to help students to develop balanced and well groomed personality and also successful professionals. An effort is made to groom these students not only to become successful engineers but also top professionals and to be precious asset to any organization.

OUR FOOTPRINTS:

1. Seminar on How to Write a Research Paper(03/02/14)

Students come to know about the overall structure of a research paper. Points to be kept in mind while writing a paper.

2. Industrial Visit(15/03/2014-23/2/14)

Purpose of visit is to get first hand information about the operative system, machines and procedure adopted by industries in practice and to gain some work experience .It is a bridging point between the education and industry.

3. Alumni Meet(1/3/14)

The Annual Alumni Meet for college was organized by computer Dept on 1st March and it was a grand success. All the Alumni gave their overwhelmed participation in all the activities and were happy to walk down their memory lanes along with their old friends and mentors.

4. Women's Day Celebration(7/3/14)

On the occasion of the International Women's Day, Our department celebrated on 8th march. Some cultural events were organized by students all the participants were the girls of our department.

5. Seminar on Ethical Hacking(13/3/14)

6. Webinar on SAN(19/3/14)

7. Parent Teacher's Meet(22/3/14)

Parent's got awareness regarding their ward's performance.

8. On-line Test on SAN(25/3/14)

9. Avishkar(28/3/14)

Project competition was organized for BE students

10. BE Farewell(16/4/14)

Farewell is a time when students get blessings from principal, teachers and their classmates. A time when our face smiles but soul cries. A time when fear comes into our mind about leaving our academic routine and setting into professional time table. Computer Engineering department organized a Farewell Party to bid adieu to the outgoing students of 2010-14 batch on 16th April' 14.

Inspirational Quotes

Be a student as long as you still have something to learn, and this will mean all your life.

Henry L. Doherty

We shouldn't teach great books; we should teach a love of reading.

B.F.Skinner

Education is helping the child realize his potentialities.

Erich Fromm

Education today, more than ever before, must see clearly the dual objective: education for living and educating for making a living.
