DEPARTMENT OF CIVIL ENGINEERING

Department Of Civil Engineering has Submitted Five **Proposal for Minor Research Grant to University of Mumbai** Under The Stream Of Technology / Science, On Following Topics:

Sr.no	Name of proposal	Principal investigator	Co-investigator
1	Influence of Aggregate Size and Paste Density on Hardened State Performance of Pervious Concrete	Prof. Roshni John	Prof. Shilpa Kewate
2	Analysis of Waste Glass Powder and Waste Brick Powder as Supplementary Cementations Material	Prof. Shilpa Kewate	Prof. Roshni John
3	Assessment of Water Quality Reaching Consumer End Through Taps Connected To Storage Tanks	Prof.Pooja Somani	Prof.Rachel Gitty
4	Viability of Steel Fragment as Fiber In Fiber Reinforced Concrete	Prof.Rachel Gitty	Prof.Pooja Somani
5	Geological investigation of Malin Landslide, Pune District, Maharashtra	Prof.Shanthi Selvam	Dr.Suman Rawat
