

# SES Job Fest 2015

The Saraswati Education Society's "Saraswati College of Engineering" Kharghar, in association with Freshers Job had organized "JOB FEST" on 8th August, 2015 at SES Educational Hub.

Need for Job Fair: "Networking with potential applicants for positions available in the future years, not just the current recruiting year. Applicants may be potential candidates for positions upon graduation, or after they have gained a few years of experience. Also develop relationships with faculty who can refer and recommend potential recruits"

This helped connect students to employers looking to fill full- and part-time positions as well as internships opportunities.
