Registration Form

SHORT TERM TRAINING PROGRAMME
ON
Advancement in Cloud Computing
13 - 18 May, 2013

1. Name:
2. Date of Birth:
3. Sex:
4. Designation:
5. Department:
6. Institution:
7. ISTE Membership No.:
8. Address for communication:
9. Phone No. Office:
   Mobile:
10. E-mail:
11. Experience (years):
    Industry:
    Teaching:

Place:
Date:
Signature of Applicant

HOD/ Principal/ Director
Seal of the Institute

Eligibility
This programme is open to Engineering College teachers (both Degree and Polytechnic colleges) from AICTE approved institutions. Selection of participants will be based on experience, qualification and first come first serve basis.

About ISTE

Indian Society for Technical Education was founded in the year 1967 with a mission to advance for the cause of education in general. One of the major subjects of the ISTE is to assist and contribute to the production and development of top quality professional engineers and technicians needed by the industries and other organisations.

About SRM

SRM University is one of the top ranking universities in India with 33,044 students and 2358 faculty across all the campus, offering a wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Medicine and Health sciences, and Science and Humanities.

About Saraswati College of Engg

Saraswati College of Engineering was established in 2004 with objectives of providing quality technical education & research vision. The college is approved by AICTE, New Delhi and affiliated to University of Mumbai. Dedicated experienced & hard working staff, full fledged Library & well equipped laboratories are few of our strong points to mention.

Department of Computer Engineering

Vision: To imprint knowledge to our students in an ambience of knowledge, creativity and innovations and nurture them to become ethically rich professional with bright future.

Mission: We believe in bonding and belonging thereby our mission is to provide simulating learning environment with a technological orientation to maximize individual potential.

Department of IT Engineering

Vision: To create technically qualified talent with adequate managerial skills to support the future needs to the research, innovation and corporate requirement/endeavors of the society and the nation on a global platform.

Mission: Develop technically and managerial manpower for running the industry enhancing the productivity for the benefit of the mankind.

Course Objective

- Understand the emerging area of cloud computing and how it relates to traditional models of computing
- Acquire knowledge on types of cloud, Setup and development of various services available in cloud, standard practices and challenges.
- Study virtual models of cloud computing

Resource Persons

Faculty from various prestigious educational institutions and Industry are the speakers for delivering lectures. A visit to BARC, Trombay of all registered participants for learning about latest computing methodology on 17 May 2013 has been confirmed by DAE authorities, Govt. of India.

Chief Patron

Hon. Mr. Prithviraj Deshmukh
(Chairman - Saraswati Education Society)

Patron

Hon. Mrs. Vrushali. P. Deshmukh
(Founder Secretary - Saraswati Education Society)

Chairperson

Prof. B.B. Shrivastava (Principal - SCOE)

Co-ordinators

Bharti Joshi (HOD, Dept. of Comp. Engg.)
Vaishali Jadhav (HOD, Dept. of IT Engg.)

Members

Vijaya Waghmera
Shilpa Kolte
Madhuri Dalal
Rina Zambad
Vrushali Patil
Sushmita Sahu
